1971 VALHALLA

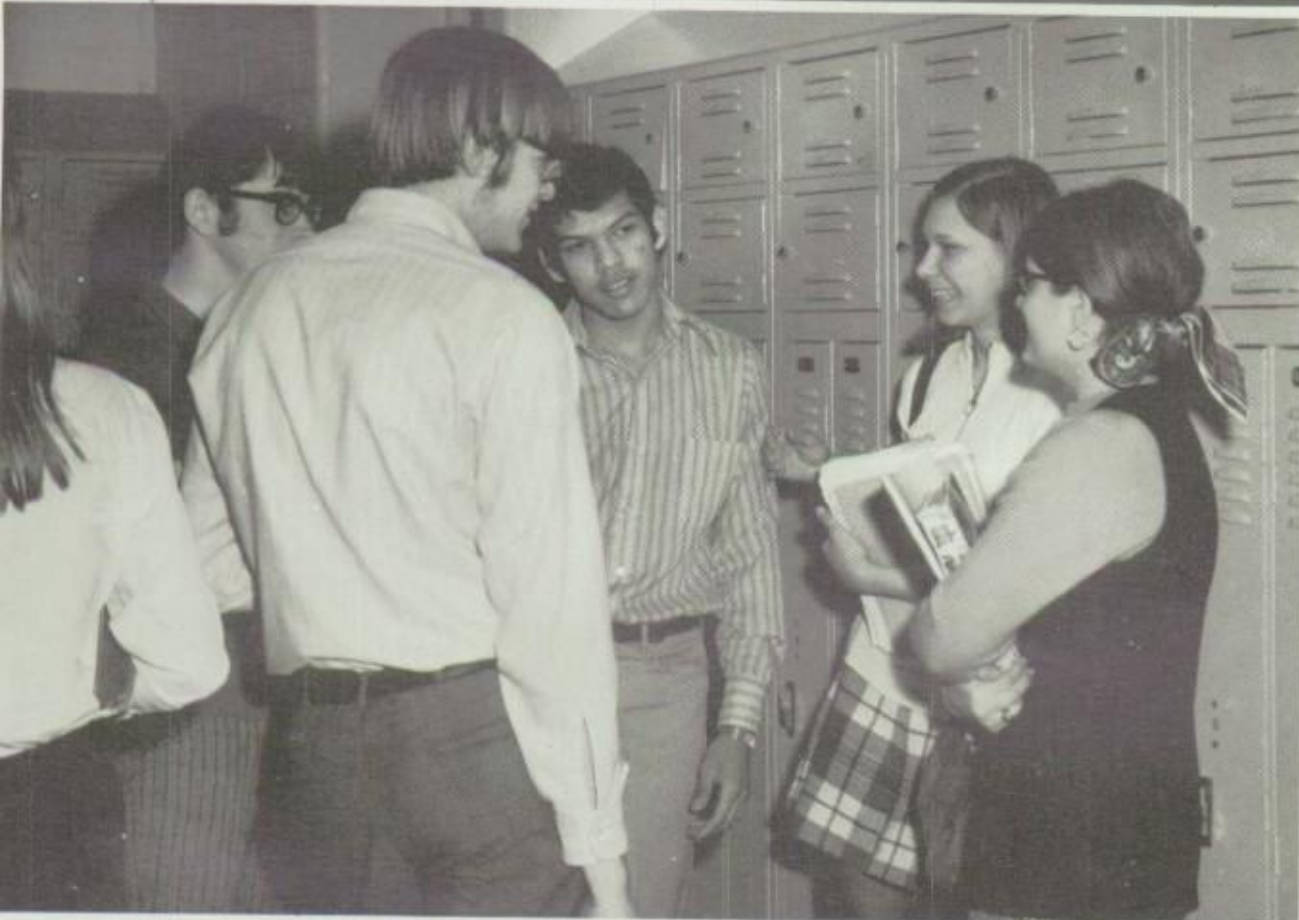

Volume IV

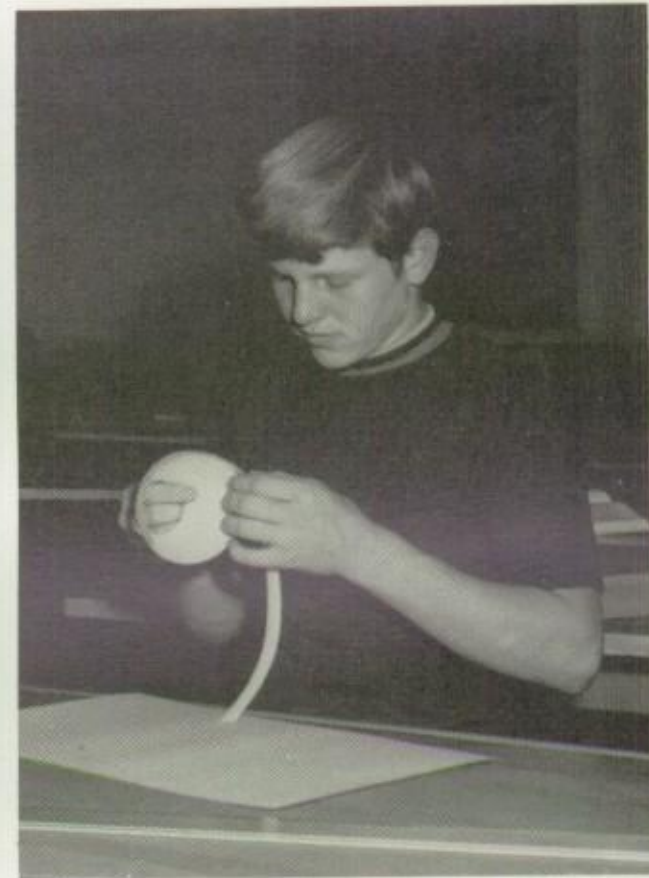

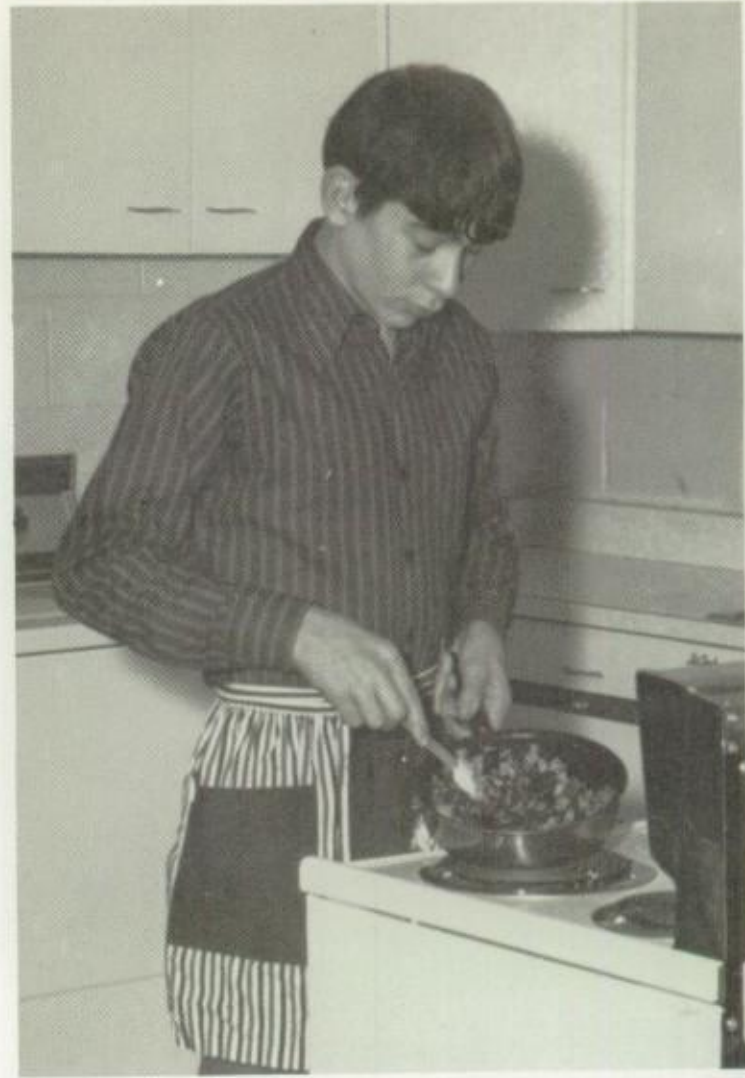

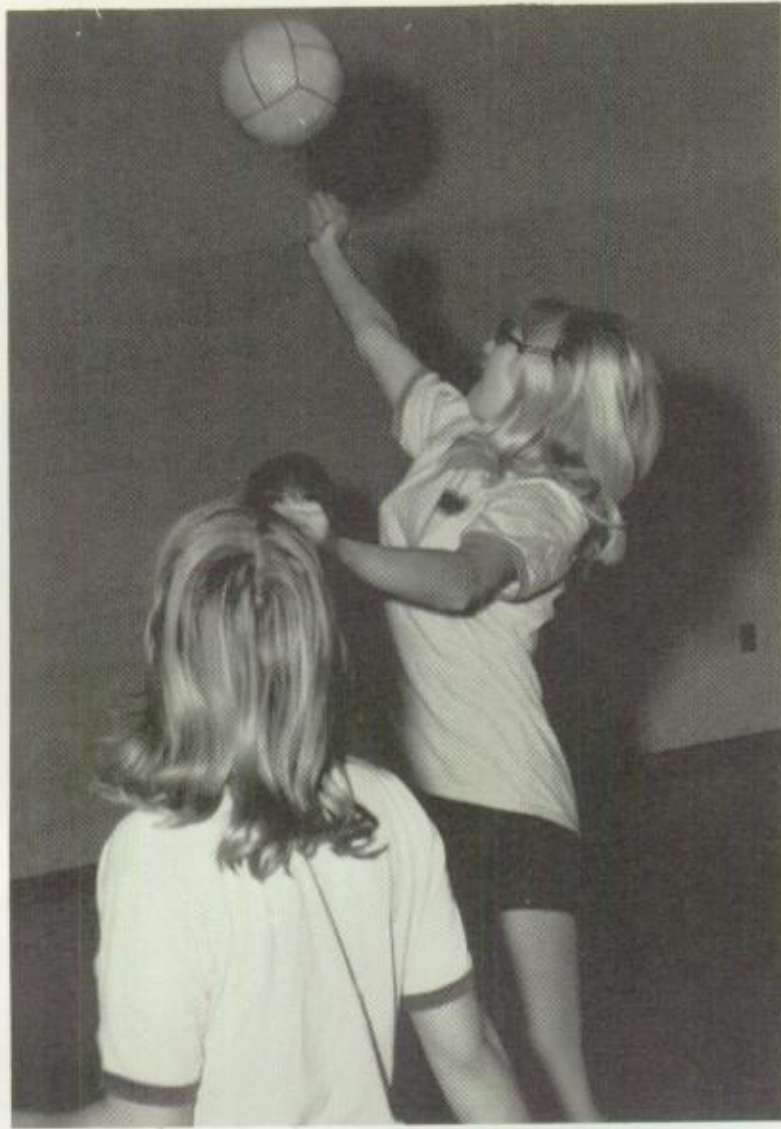

Evergreen School District

Metamora, Ohio

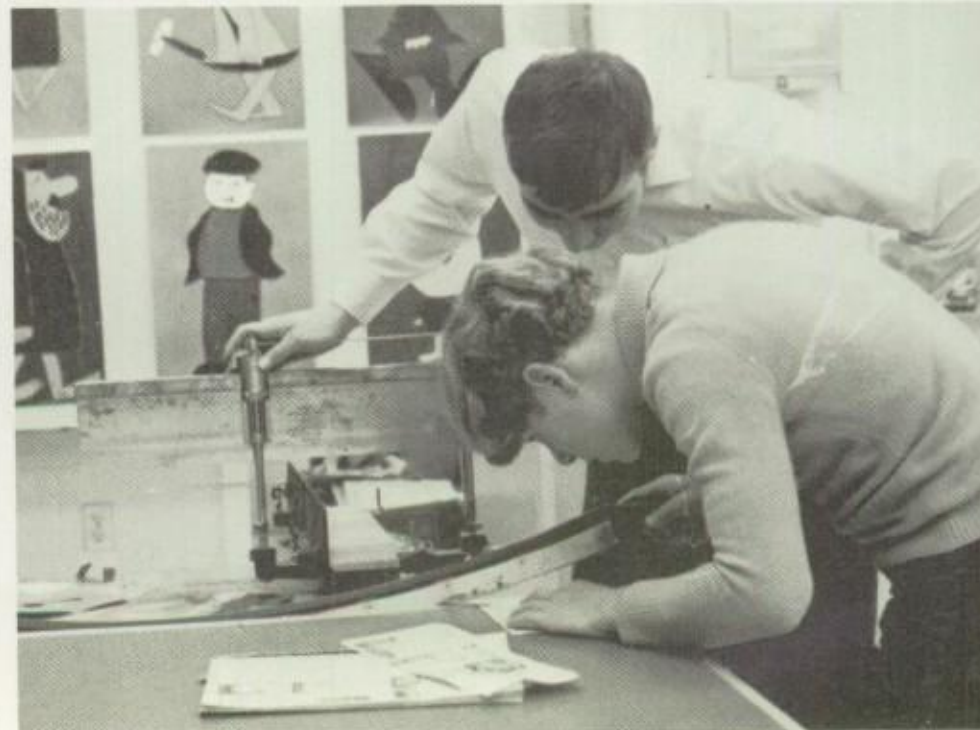

STUDENT ACTIVITIES

No matter how difficult it may be to believe, the students do use Evergreen for studying. But then you can't have study without some good old messing around, too. And that's what Evergreen is all about, ...

... students working and having fun together. Whether it be in Art Class, study hall, Mechanical Drawing, Home Ec., Phys. Ed., a pep session or even between classes you can see that Evergreen means many things to each student.

Where's the circus?

Winter is the time of colds. Bomber is making his own remedy.

No seats left.

Debbie must have tried Bomber's brew.

Evergreen is fun
As you can see right here -
The faces show the cheer,
And actions do the rest ...

Mardi Gras 1971

ABOVE: Bev Herrick, Dennis Overmeyer, Nina Delauter, Sam Victor, Sue Damman, Fred Hassen, Brian Barnaby, Becky Farley.

The Mardi Gras is a yearly event of the French Club. Beginning with a carnival, there is everything from a French Cafe to a White Elephant to a "Pie-in-the-Eye."

The highlight of the evening is the crowning of the Mardi Gras Queen from four candidates, one from each class. The 1971 queen was senior Sue Damman with Fred Hassen as her escort. The night ends with an exciting Battle of the Bands.

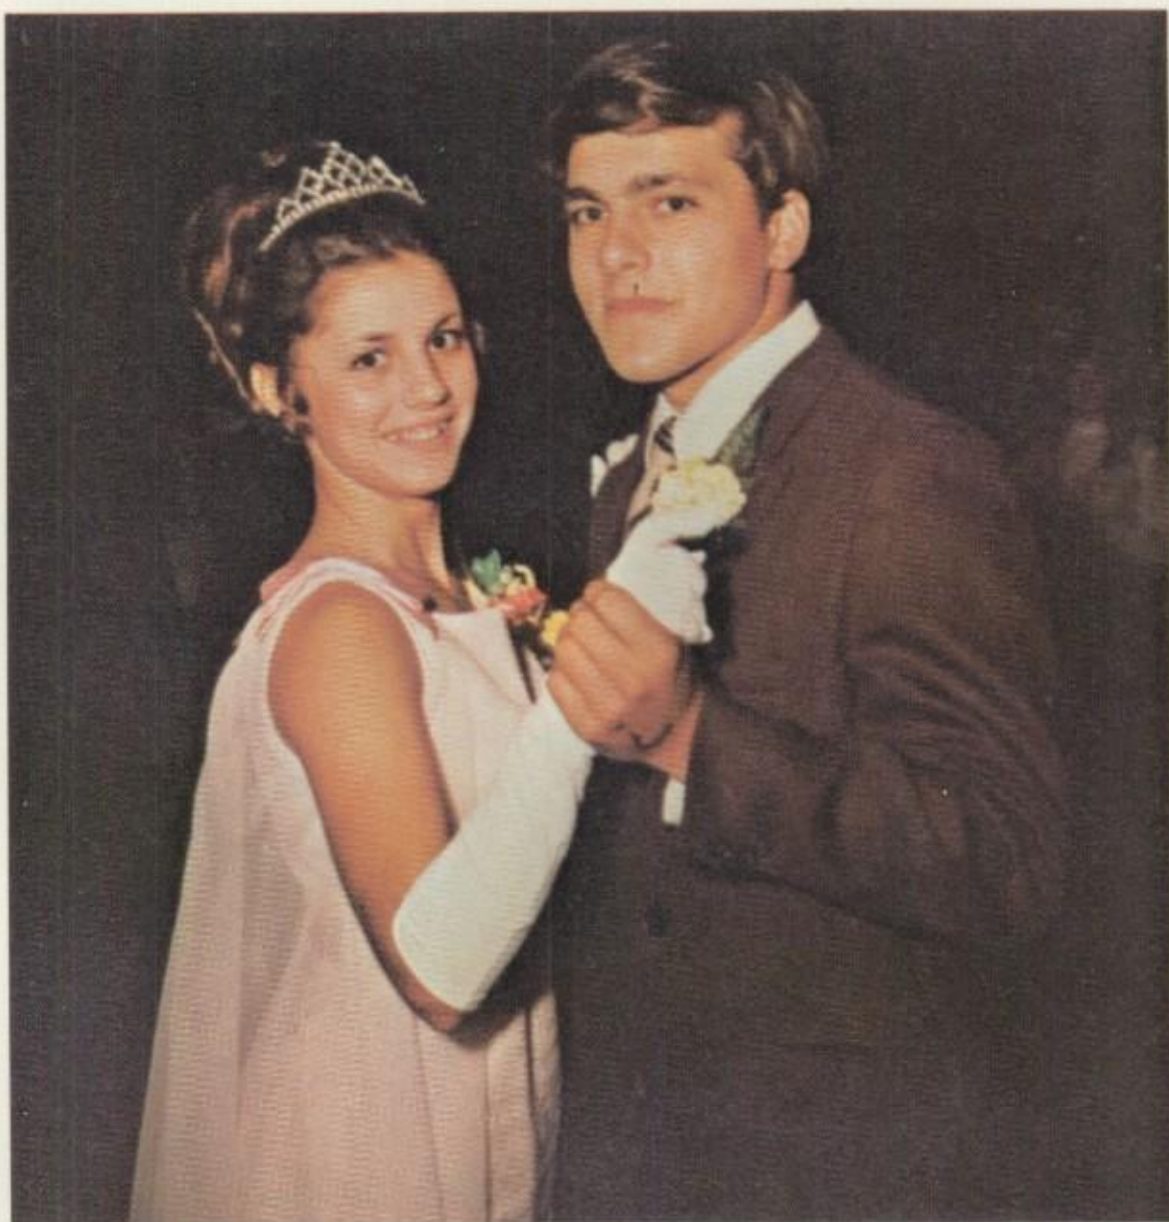

A Night Remembered

Homecoming is one of the biggest events of the year, creating a feeling of accomplishment for both the students, faculty and even parents. Spirit climbs to unite the school in a common interest.

Each class, to meet the requirements, must design and construct a float following the theme of that year's Homecoming. The 1970 theme was "A Viking Pow-wow" as the rivals were the Fairview Apaches. The classes had to name their float after a famous movie.

The 1970 Homecoming will long be remembered, not only by the attendants but also the whole student body. It is an important event for everyone in the community.

SOPHOMORES

Every girl is eligible to be an attendant representing their class. Two are selected from each when the classes vote.

Besides the two senior attendants, a third is selected by the Varsity "E" Club for Queen Candidate. The entire student body then votes for the Queen from the three chosen girls, whose name is not revealed until the moment of the crowning.

A dance reserved for the court seems to have the most sentimental value.

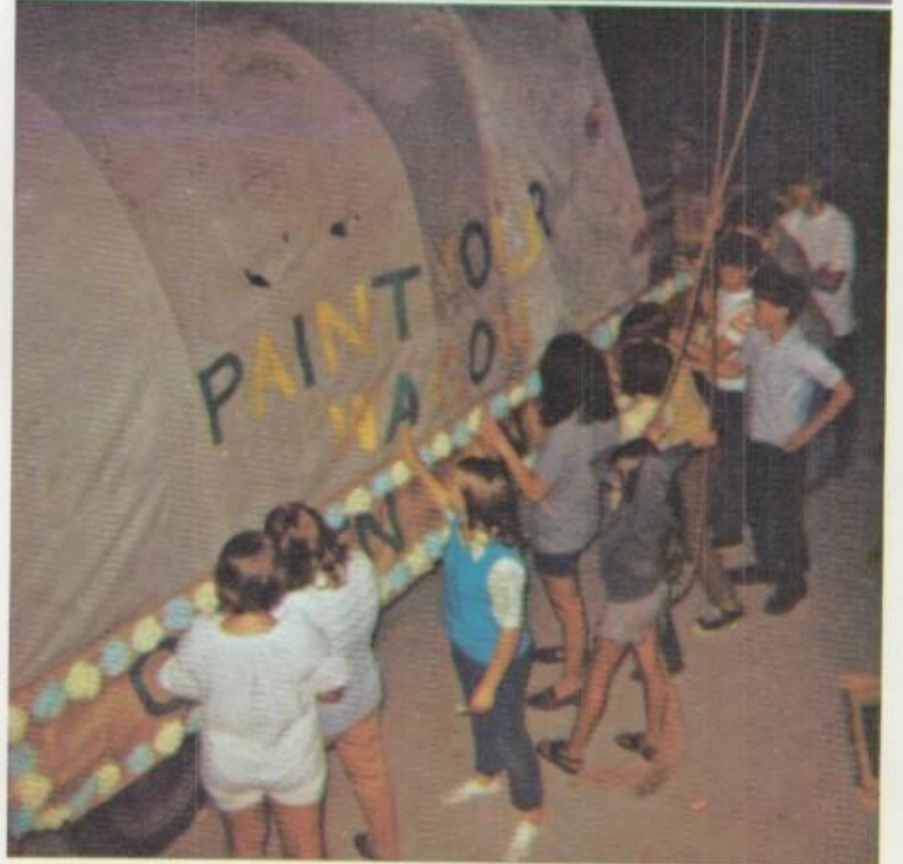

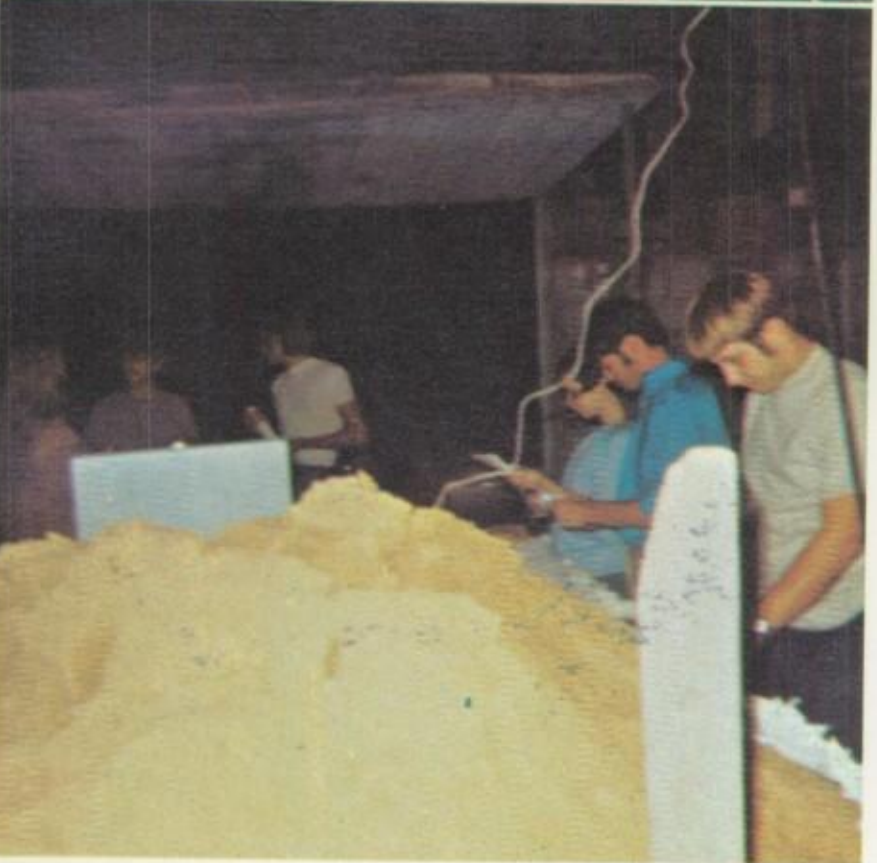

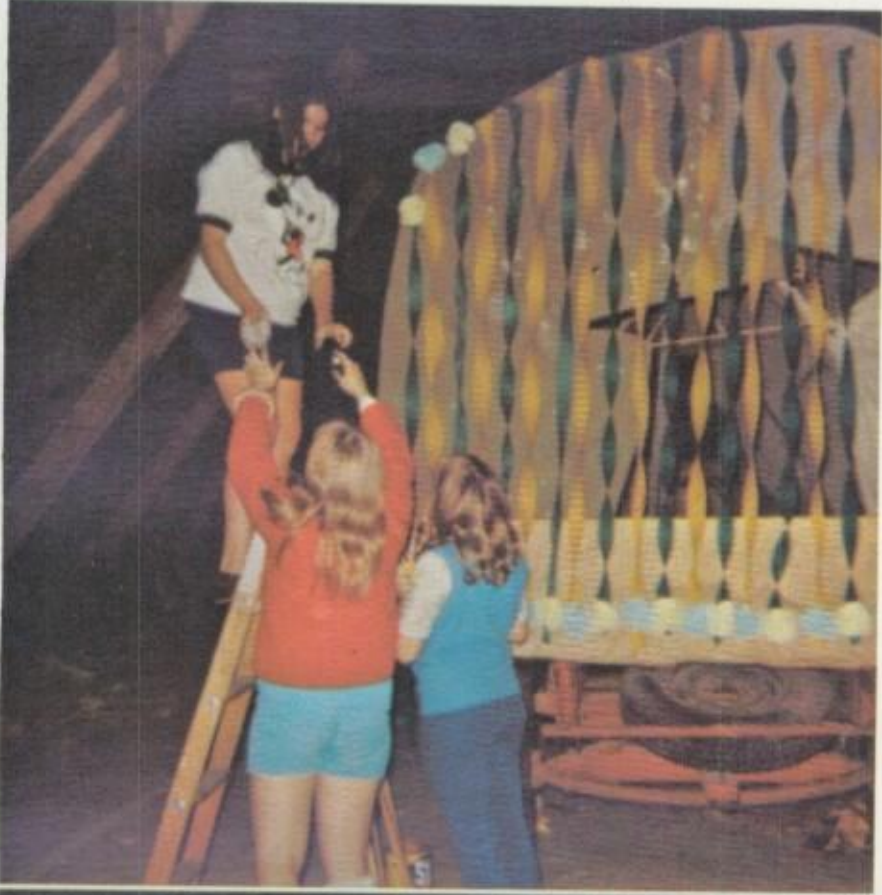

Lynette Farnsel and Fred Hassen enjoyed the Homecoming beauty.

Homecoming, in all its splendor, was twice as nice this year, as the event was extended to a second evening for the semi-formal dance. Sponsored by the I. C. C., the lovely dance climaxed an exciting weekend for all.

NEXT PAGE: Hard work goes into building the floats. As you can see, everyone has one common interest; the classes unite and do their best to win in good sportsmanship.

The dance brought lasting friendships between many people, including Becky Farley and Randy Haurey.

1970-71 Junior-

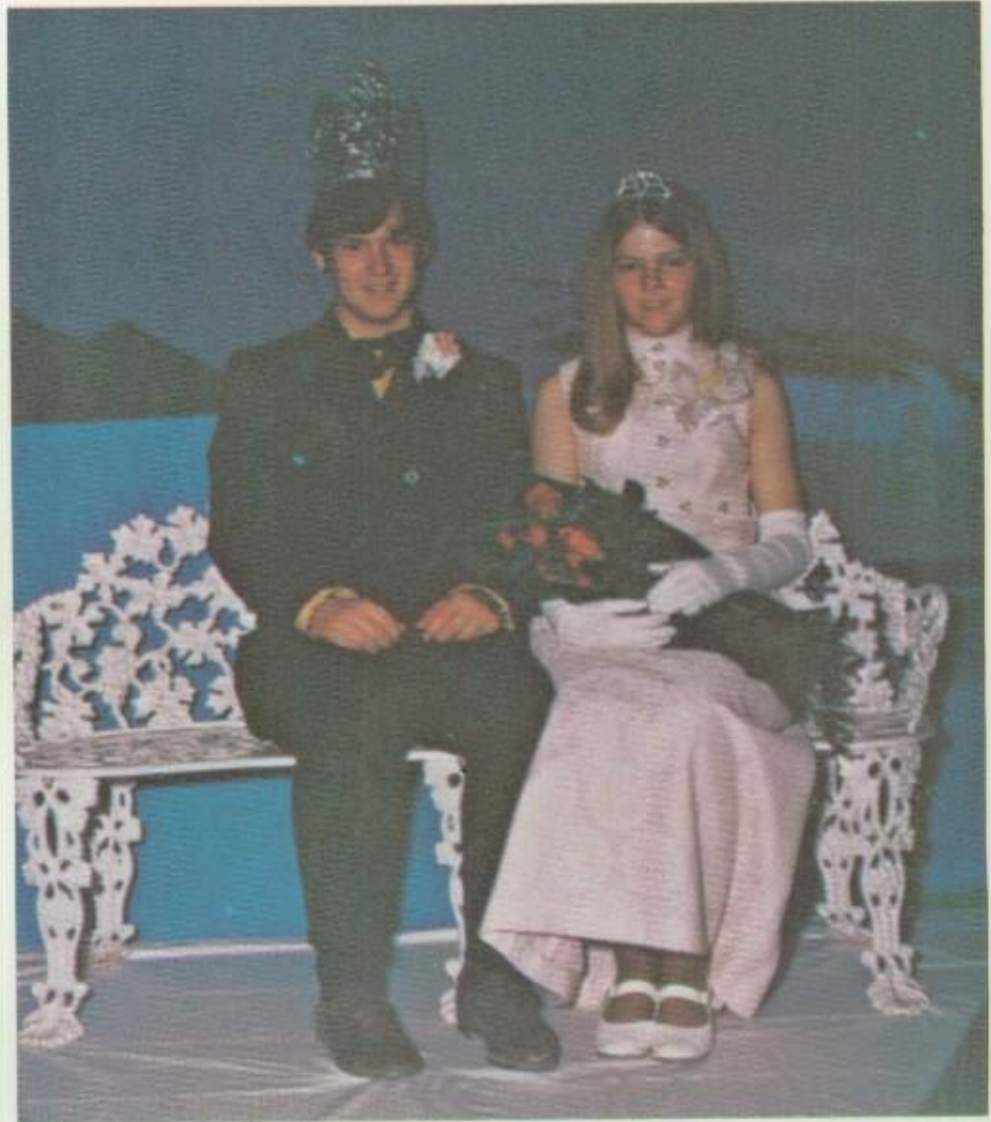

The juniors presented the seniors of 1971 with a prom entitled "A Southern Plantation." For one night the gym was transformed into an old Southern mansion complete with pillars at the entrance and a garden full of ponds and fountains.

All in all the evening was a pleasant success. Refreshments were served by sophomores dressed as Negro servants. Music was provided by a dance band called The Confederates.

At 11:30 P.M. the King and Queen were announced. Reigning for the rest of the night were Karen Snyder and Chris Johnson. Their royal court attendants were Pam Gillen and Tom Taylor and Nina Delauter and Dennis Pinkelman.

From the prom itself everyone went to Imperial Lanes in Toledo for bowling from 1:00 A.M. to 5:00 A.M.

Senior Prom

Evergreen Presents

Bye, Bye, Birdie

Under the direction of Mr. Carl Schafer Evergreen produced its second musical, 'Bye, Bye Birdie.' The play was based on the traumatic experience of discovering that the greatest teenage singing idol has been drafted.

Senior Jan Saeger played the female lead, Rosie, to freshman Dave Burghart's male lead of Albert. Mike Hughes played the title role of Conrad Birdie.

You're Kidding

Where's my Thera-Blem!

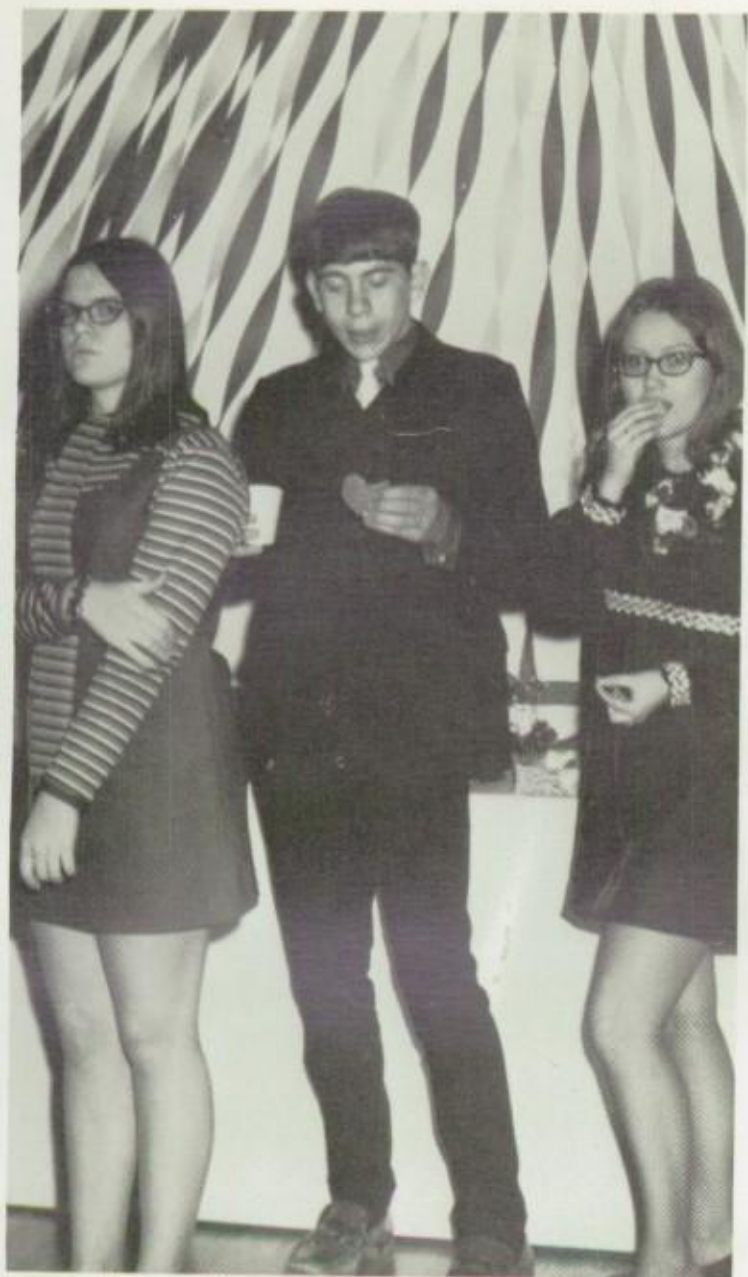

Gotcha!

Cavities?

Caught in the act.

Heidi, Scott, and Sharon enjoy the refreshments!

Fred and Lynette are fascinated by the coronation.

Chaperones, Mr. and Mrs. Hoag, watch the corners!

Seniors, Pam Victor and Gary Langenderfer are refreshing themselves while taking in the Profit!

The class of "71" sponsored a semi-formal Christmas Dance, which proved to be a big success. Everyone had an enjoyable time as they listened to the music provided by the national recording stars, "East River Drive."

"My girdle is killing me!"

"Begging will get you nowhere."

"I do!"

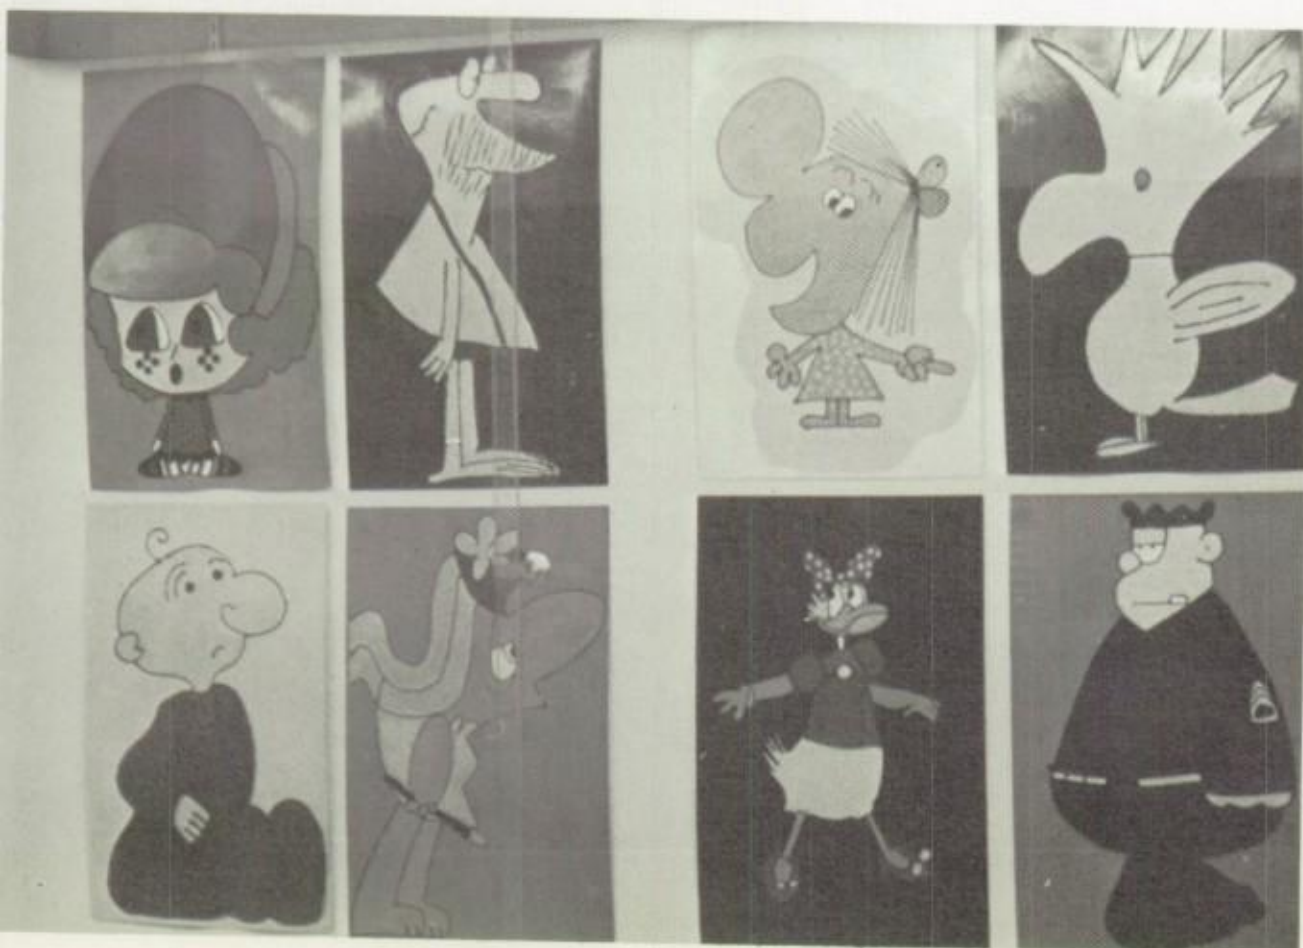

"I came back!"

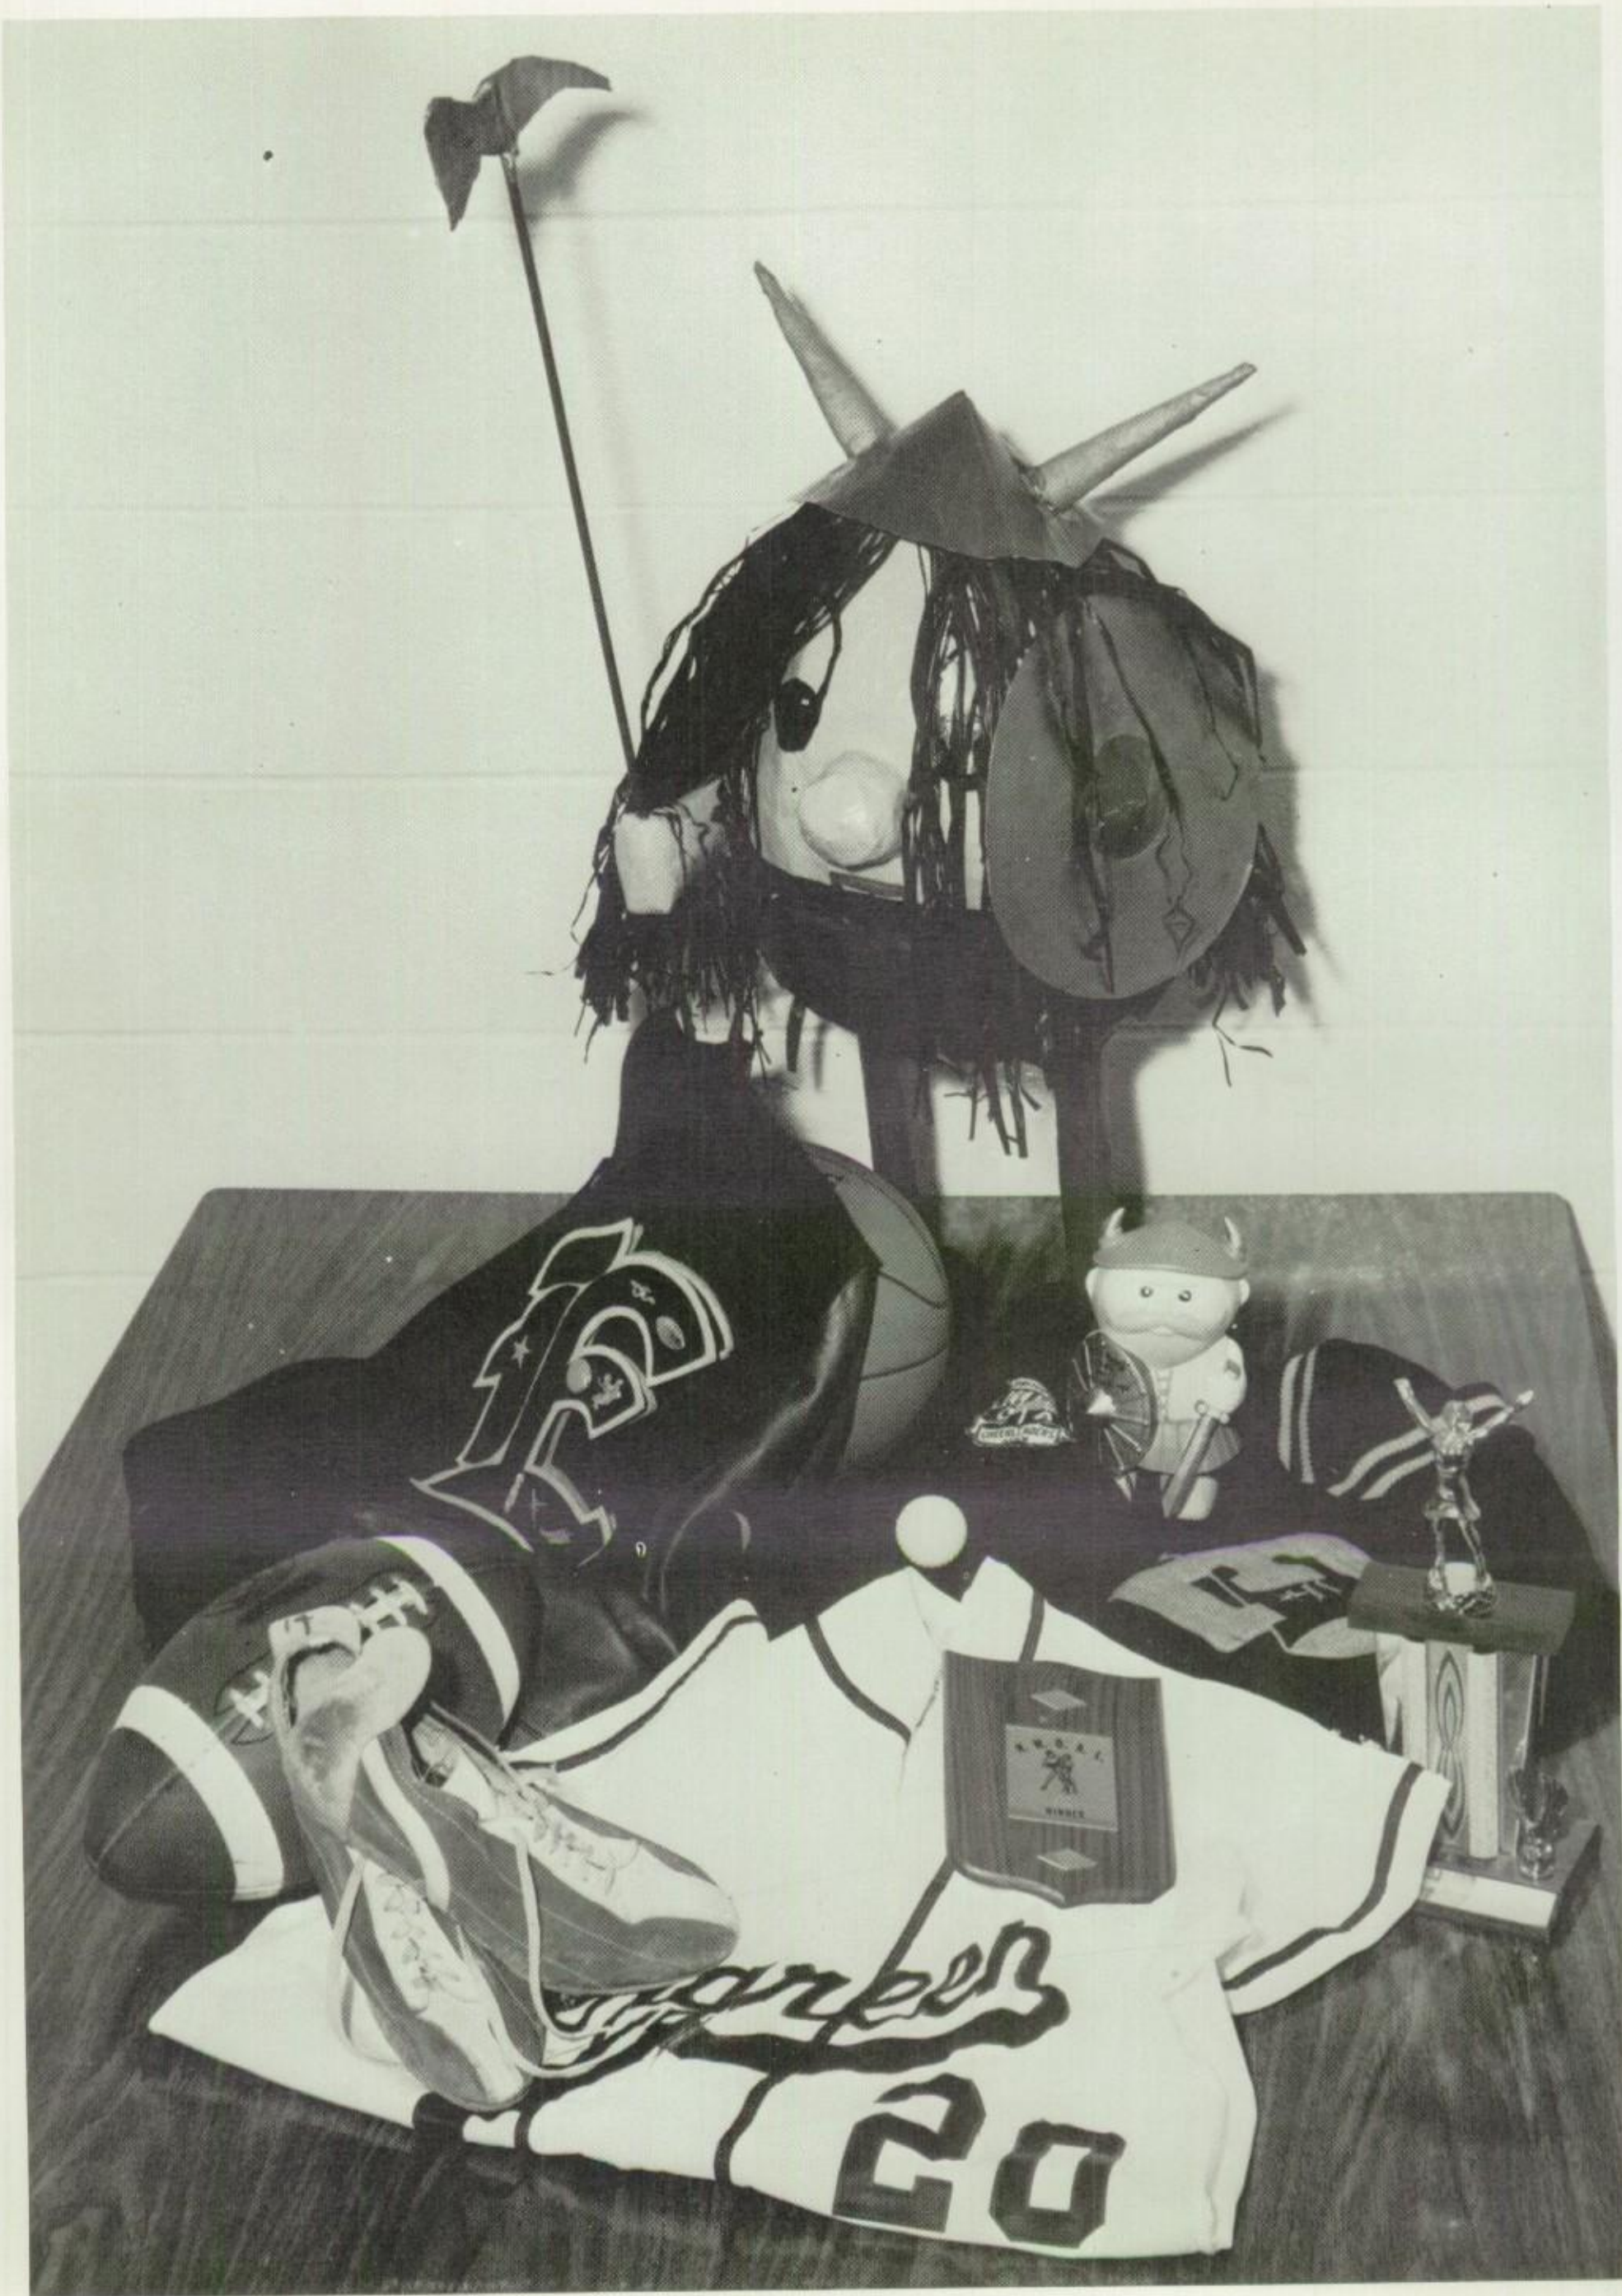

"If you can't beat 'em, join 'em."

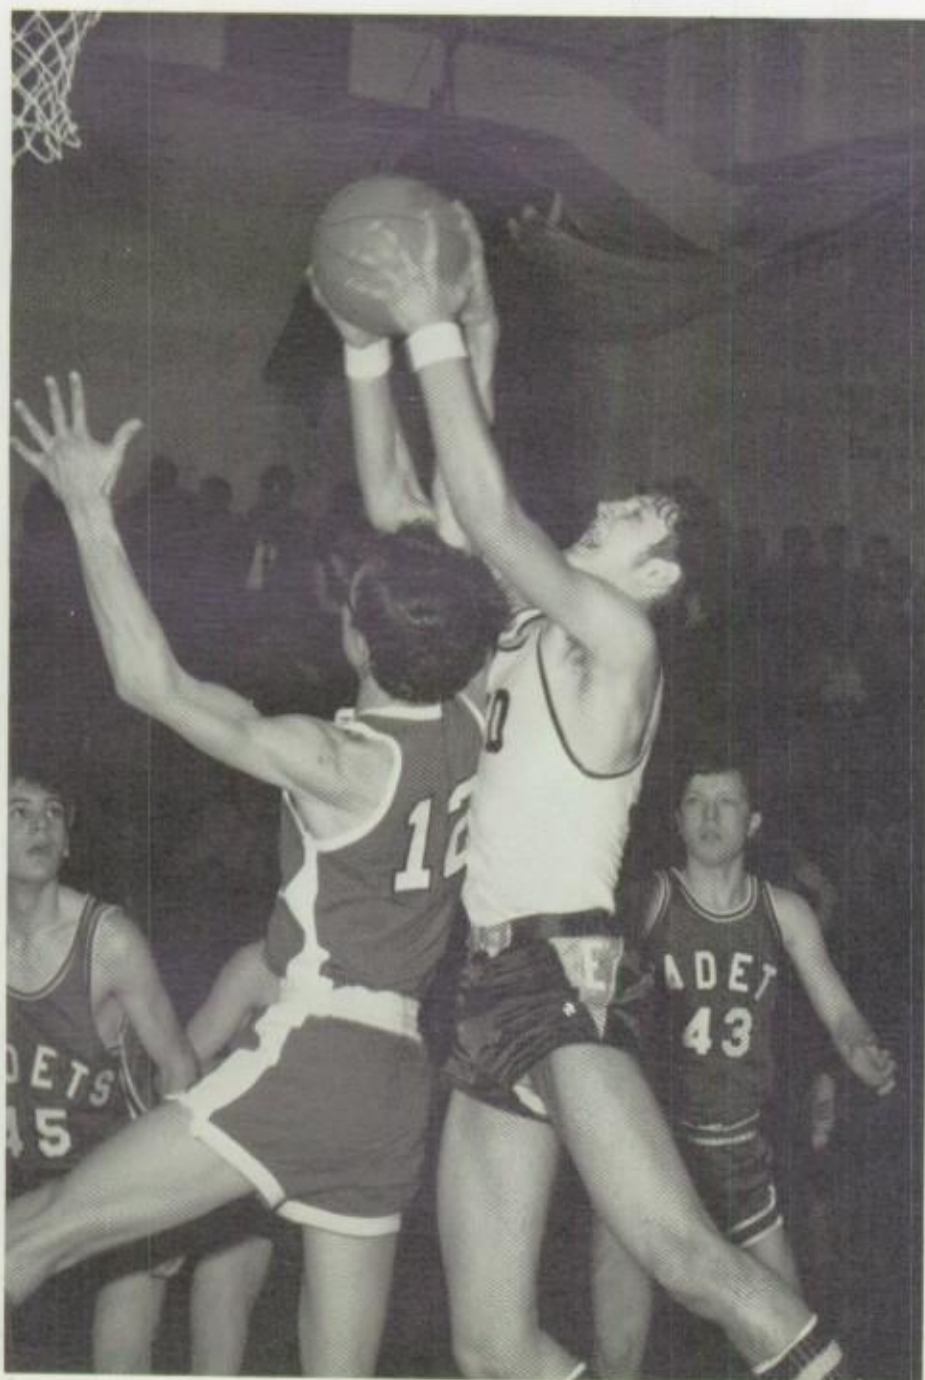

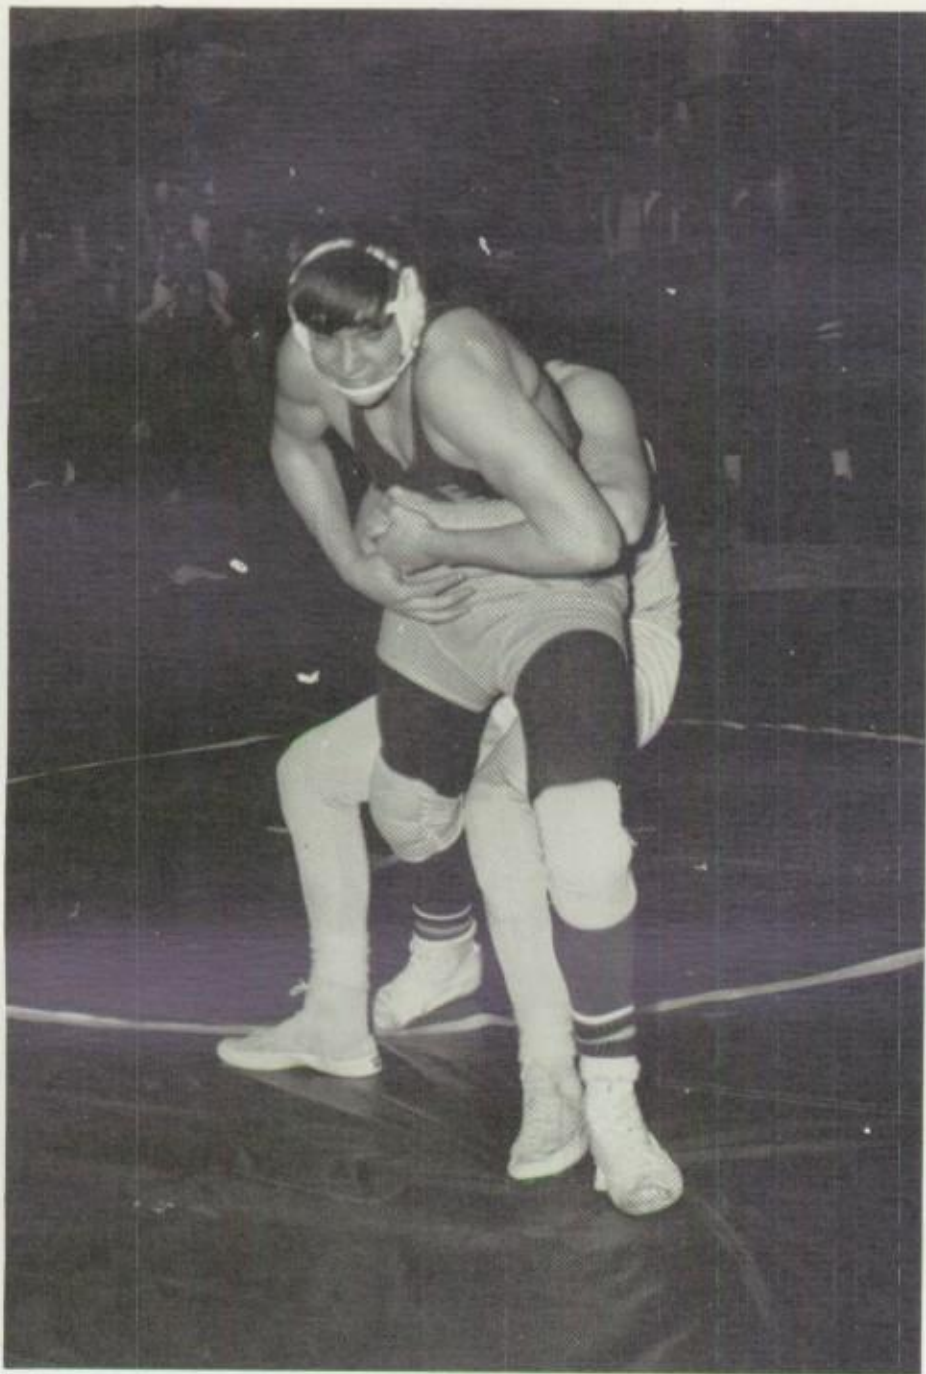

"Dick my shoes are behind the door."

Faculty Drop-outs.

... the Matmen had a successful season, as they combined to win three Varsity meets, two meet scrimmages, and placed second in the annual Delta tournaments. They also came very close in other dual meets. Coach Harrison was pleased with the season and hopes for a successful next season. Grapplers hit the record books as they scored two consecutive Victories and scored a team high of 42 points in one dual meet.

... the Varsity "E" Club consists of members who have earned Varsity status by participating in one or more Varsity sports. The purpose of the club is to interest more boys in participating in high school sports, and also earning money for the Athletic program. A few of the activities that the club works at are soliciting ads for the football and the basketball programs. They also sell refreshments at extracurricular activities.

VARSITY

... with the addition of a new coach the team showed more spirit than ever as it wheeled its way to a successful season. In the record books it may have been mediocre but in the minds of the players and the loyal Evergreen fans this season was better than ever!

RESERVES

... young and inexperienced; that was our Junior Varsity team. With only one Junior, the team gained much valuable experience as many players were platooned as Coach Steck tried to find the winning combination. He seemed to be finding it at the end as the team made a good showing the last few weeks.

The sole purpose of the literary staffs of E. H. S. is to keep the public as well as the students involved and informed on school functions.

Legend Staff members bring to the community events of past and to come, along with special features. Things to remember are put in writing.

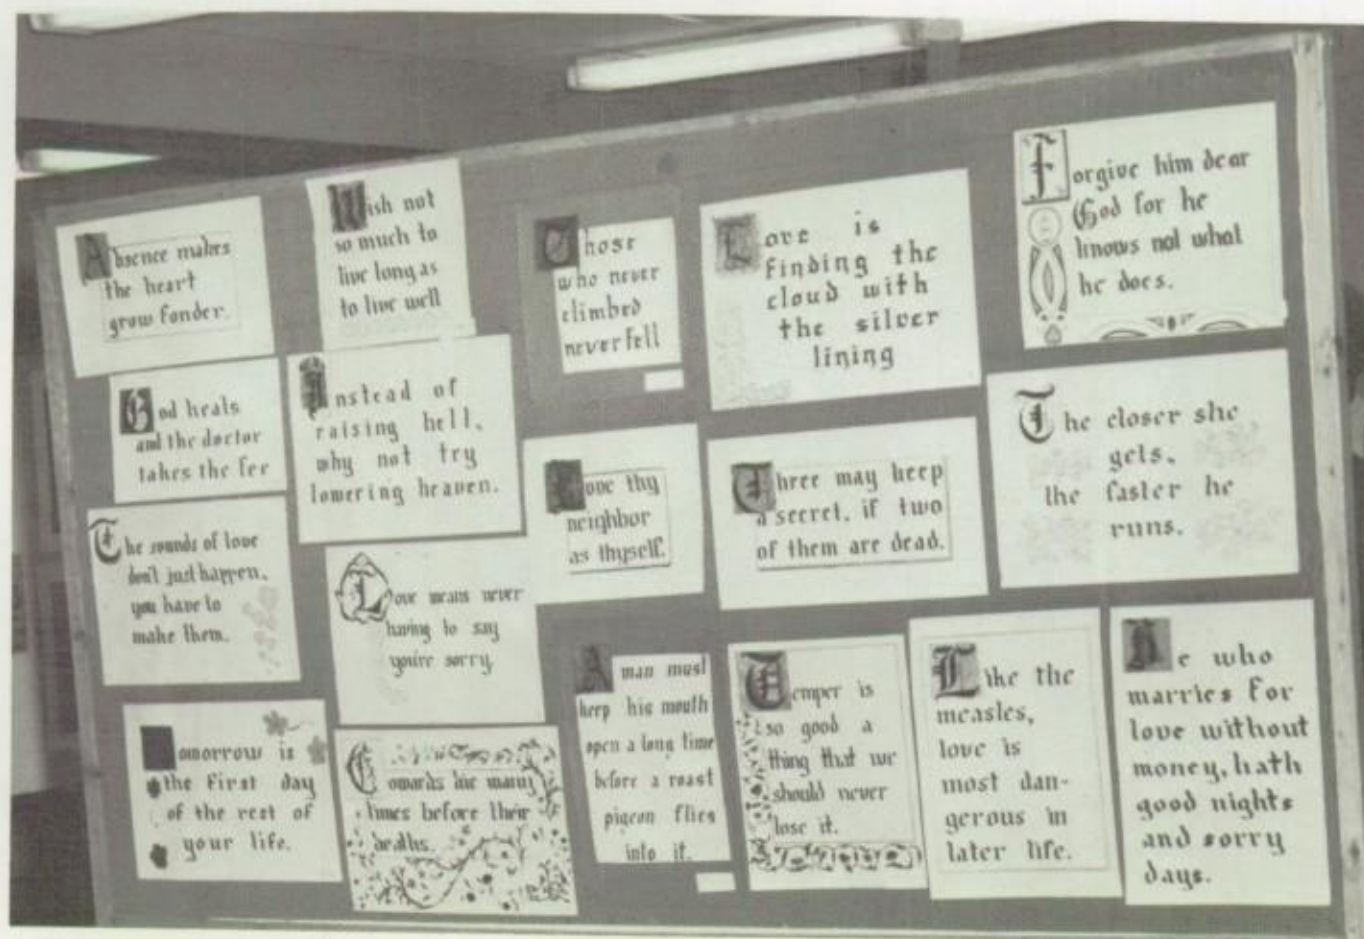

The yearbook, Vahalla, meaning "Viking Heaven," is the book which shows the public through pictures, what the students are involved in throughout the year.

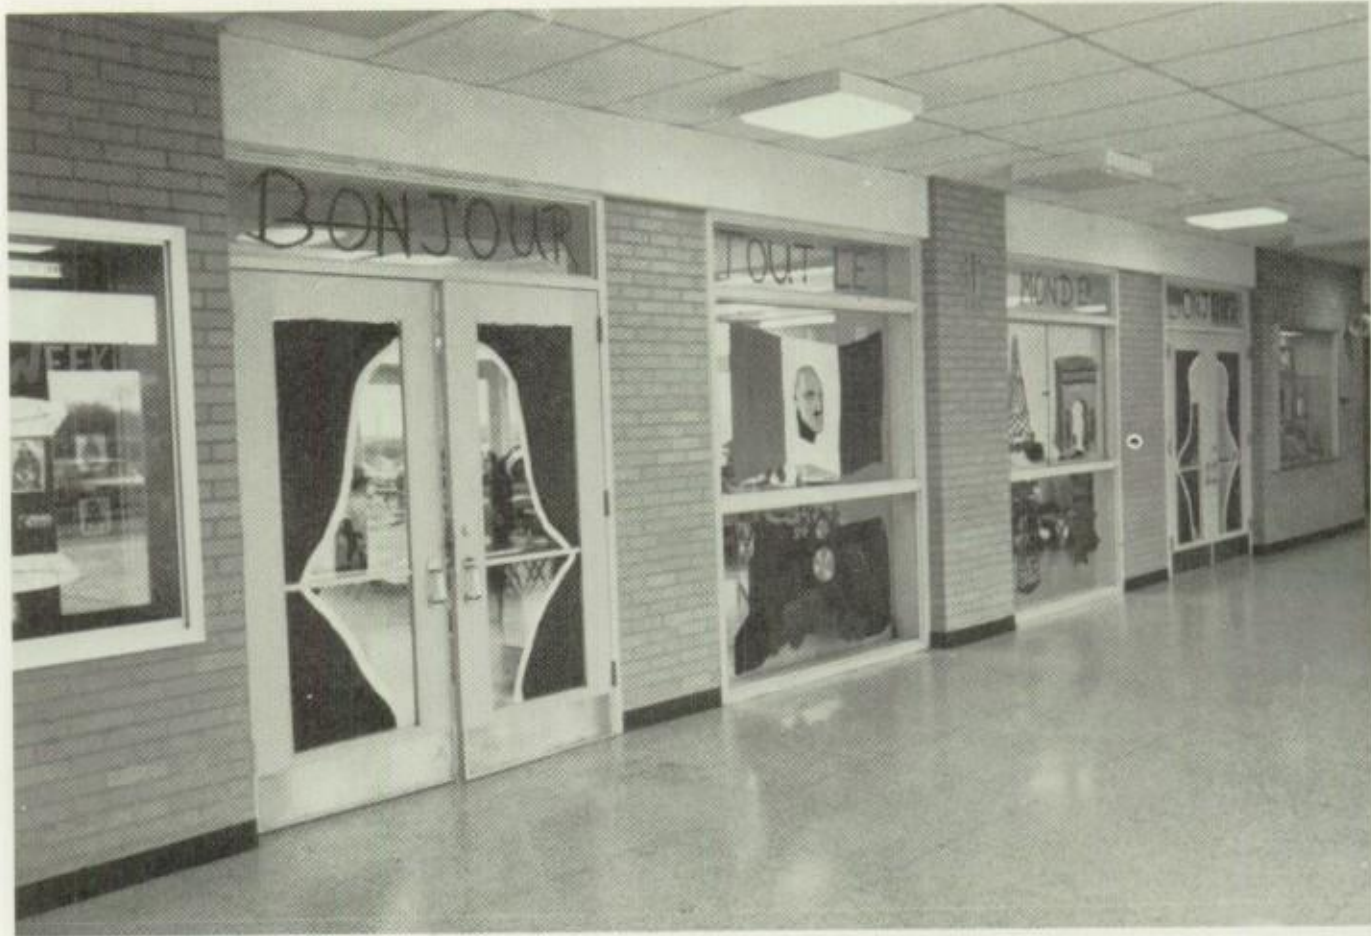

Almost everyone is connected in some way, however minute, with at least one, if not both staffs. No one on either staff forgets the hard work and long hours spent.

French Night ... What a night!

French Club

The French Club is an old organization that aims to further its members' knowledge of the French Language and culture.

One of the club's biggest projects is the Mardi Gras, a French Festival held annually. This festival is enjoyed by the whole community and involves many in its preparation. Money earned from the 1970 festival and previous Mardi Gras went to a worthwhile and enjoyable purpose, as members of the French Club toured Quebec this spring.

One of our largest and most active organizations is the Evergreen Chapter of FHA. Working on local, county, state, and national levels our chapter was able to meet the requirements and fulfill the objectives necessary to receive the Award of Merit. Seven of our members also qualified for the State Homemaker Degree, which is the highest honor an FHA member can achieve.

Our chapter has been very busy this year all the way from the exhibit at the fair through the Spring Style Show, installation of officers, and Senior Recognition Ceremony. Our theme is "Open the Way through FHA" which inspired is, since we are "... learning to live a more useful and satisfying life through our Future Homemakers activities."

Seniors studying? !? That's hard to believe with all the events the seniors took part in during the school year of 1970-71.

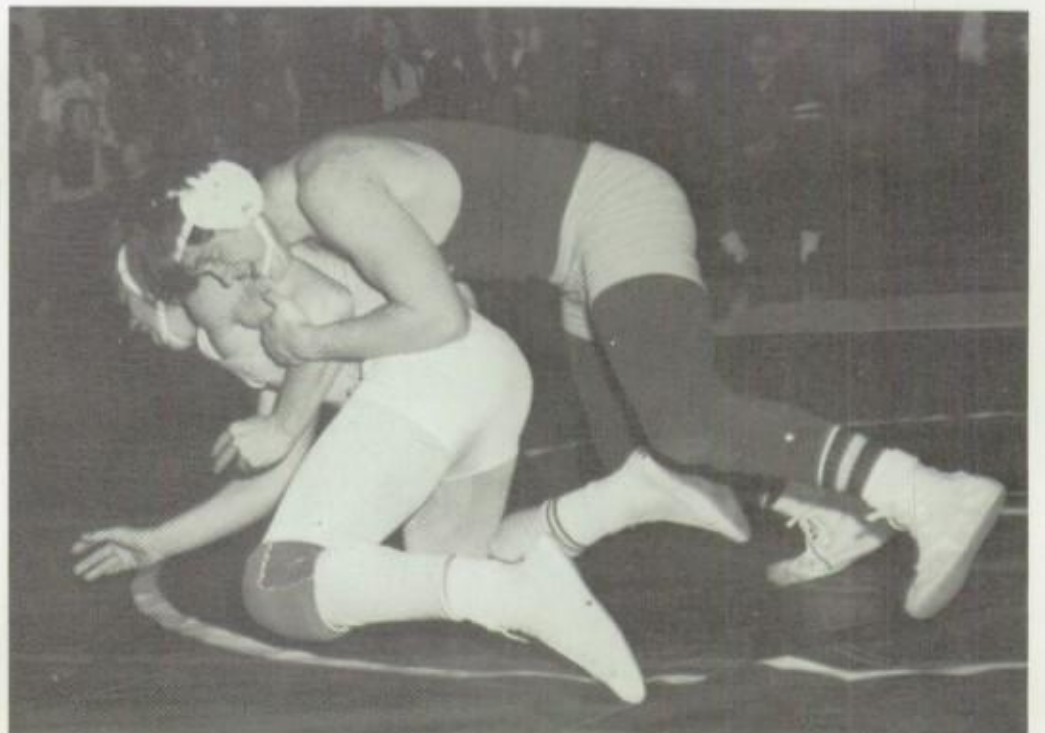

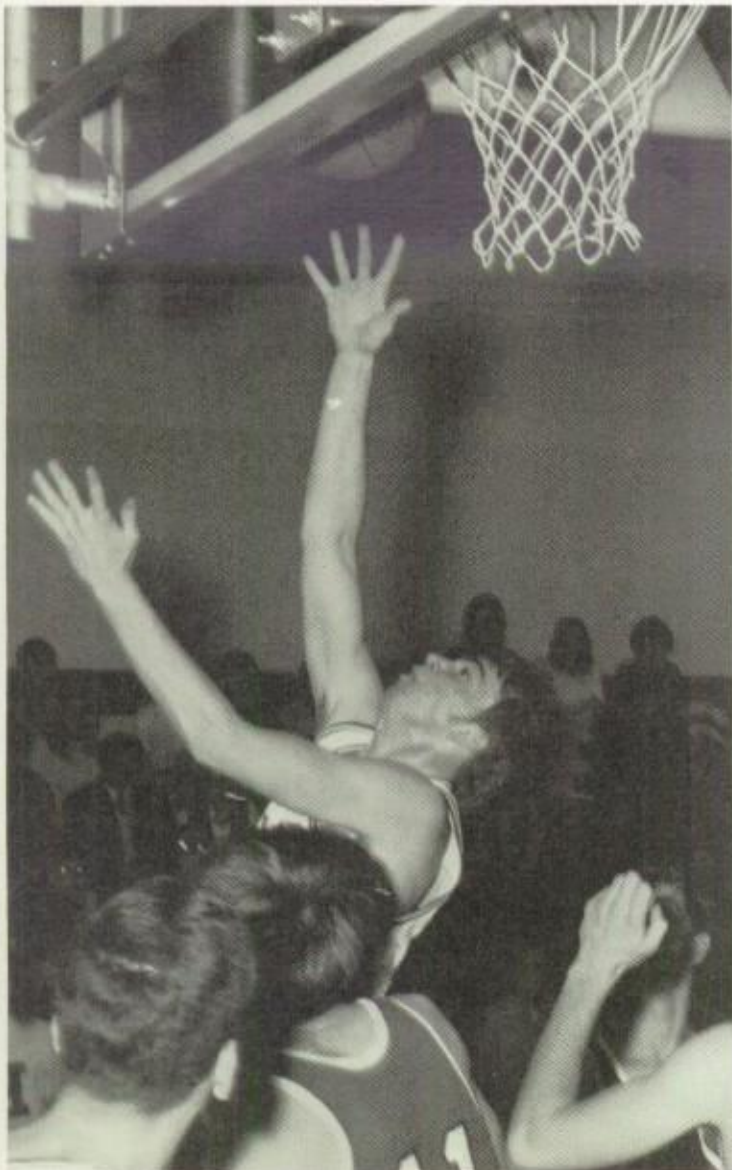

"Bye, Bye Birdie" rehearsals, basketball practices and games, football, wrestling, track, cross country, G. A. A. activities, F. H. A., F. T. A., etc., etc., ... all kept the seniors busy and explains why a picture of seniors studying had to be posed. The following pages catch the seniors while participating in various organizational activities (and just messing around, too.)

Due to technical difficulties we regret that there are no pictures of graduation. The Class of 1971 chose light blue and dark blue for the colors of their gowns, and a white rose for the class flower. "Finished, yet beginning" was their motto. Mr. Nicholas Nyaradi did an excellent job as guest speaker at the Commencement ceremonies.

But even if the seniors did have fun all year, every single one, with no exceptions, will agree that the best part was when their names were called on the night of May 23 to go up on the stage to receive their diplomas.

The Natural

Girls, really. In public?

Hmm. What's this?
